306.01.04 MULTIPLE DEEMING

When more than one eligible individual lives in the same household and there is a parent-child relationship, a multiple deeming situation may exist:

- If a child under age 18 (or under 21, if a student) lives in the same household with a parent(s) applying for Medicaid or an eligible parent(s), determine the countable resources of the parent(s).
- If the parent(s) meets the resource eligibility requirement, do not deem the value of any parental resources to the child.
- If the parent(s) do not meet the resource eligibility requirements, follow the usual parent-to-child resource deeming rules to determine the value of the deemed parental resources.
